

IMPERATOR

Judy,
To a real
sweet girl who is
really a lot of fun.
Remember the night
we went to the night
and then we hugged
Remember the day we went
to see Woodstock. Don't forget
the dances we went to. I
you are going to be home. I'm
summer and I'm going to be home.
we'll go out and raise a little trouble.
you think of some. Remember all
to and all think of some. Remember all
the things that's not. Remember all
forget all the things that's not. Remember all
I hope we have more classes together next year.
and I hope your senior year is a lot of fun.
Remember me now and then. Fix a nice
way. Good luck and God Bless.

This year, the '72 Imperator Staff had the Senior Class help to decide who the yearbook was to be dedicated to. Their choice comes as no surprise. This faculty member, though only teaching for a short time, has displayed a type of spirit that seems to be creating a "new guard" at General McLane. Since his arrival here, his smiling face and boyish grin have become landmarks in the halls of our school. His modern methods and relaxed atmosphere give his classroom a mood of making learning enjoyable. He can be seen at all sporting events, often exhibiting his musical genius by leading his tireless Pep Band from one fight song to another. The Imperator Staff proudly announces its 1972 edition is dedicated to, who else?, Frank J. Barthel, professor of mathematics.

Kim

This year we are honored to have Kim McKay as our foreign exchange student. Kim came to us from Australia.

Kim is quite a sport fan, even though the sports to which he is accustomed aren't played here at General McLane. In Australia Kim was on a State Champion Soccer Team, and participated quite extensively in other sports.

Everyone who has met Kim finds his friendly personality quite enjoyable. We would like to say "We're really glad you came".

Tim O'Neil

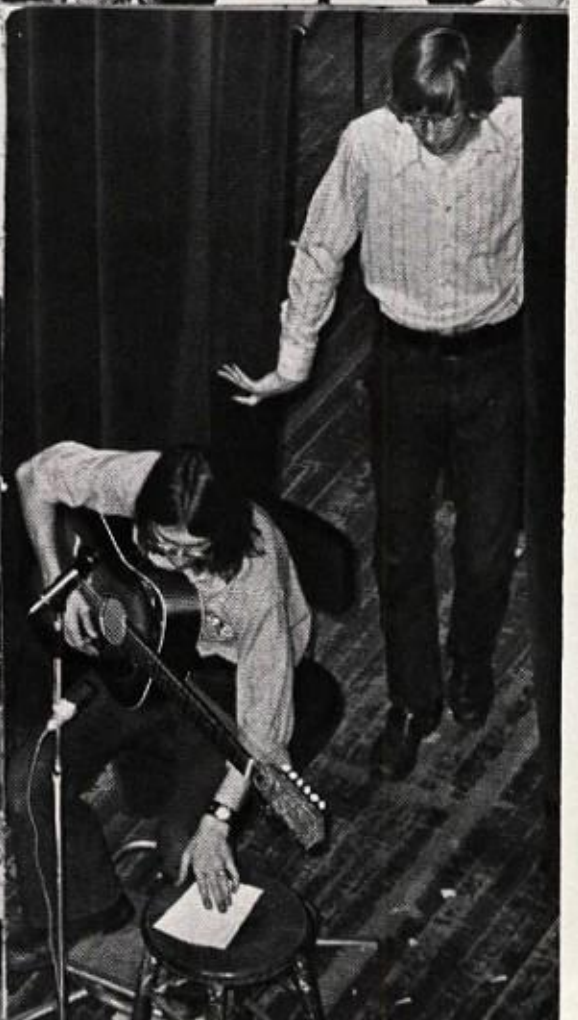

Above: His mother Carmela
Below: Welcoming Friends at Arrival

Tim O'Neil is our Rotary Foreign Exchange Student in Celaya, Guanajuato Mexico. His family in Celaya, Los de la Rocha, includes his mother, Carmela and four brothers, David, Paco, Pepe and Jorge.

He lives on a plaza in town. Their house is rather large and has a large garden. He attends the preparatoria in Celaya with his brother, Pepe. He studies Psychology, Calculus, Physics II, History and Literature of Mexico, Chemistry II (Organic), and Biology II.

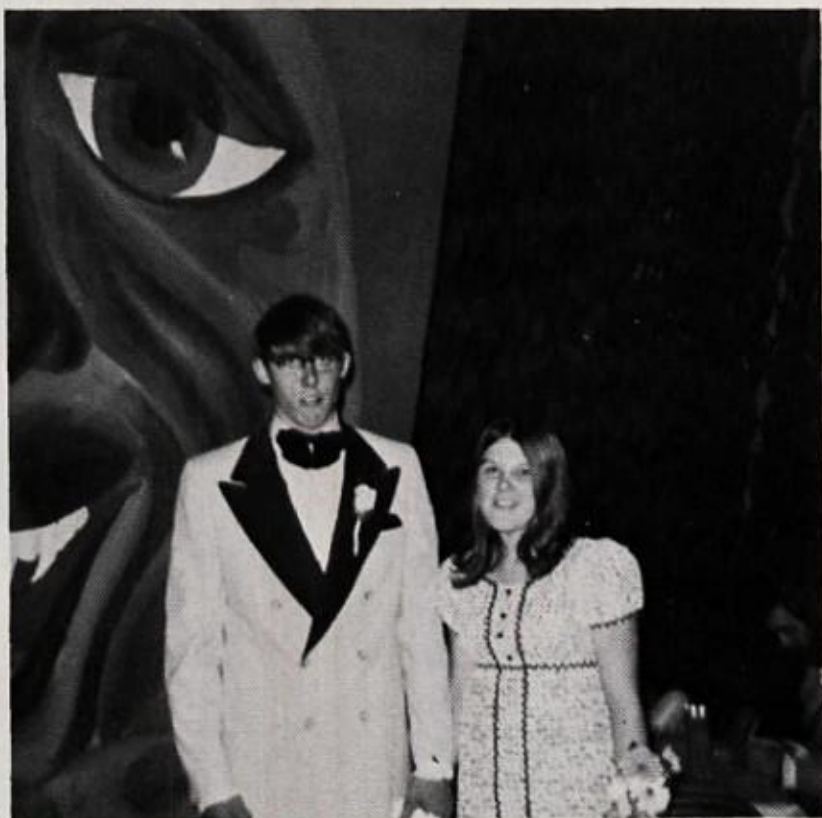

Tim enjoys Mexico and his new family and his new life. He plans on attending the University of California-San Diego Campus upon his return to the U.S.A.

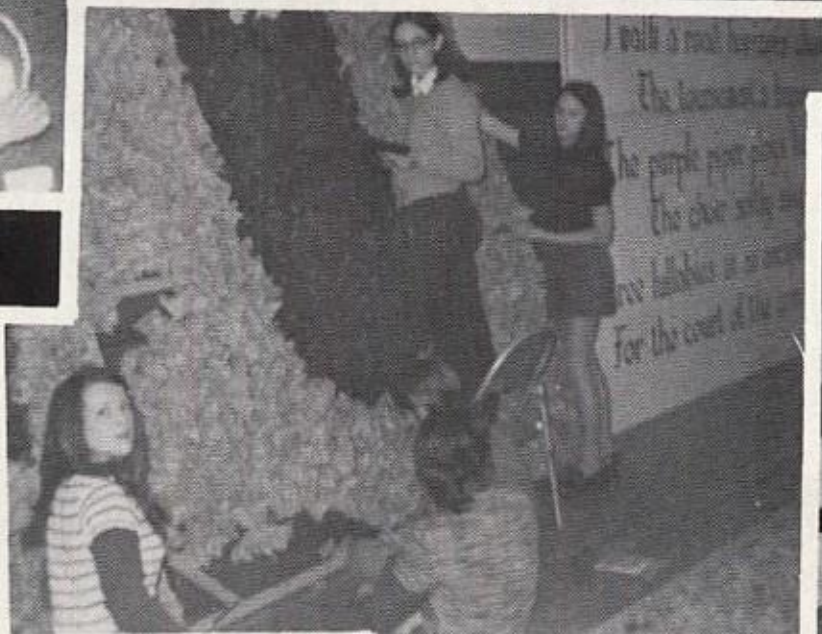

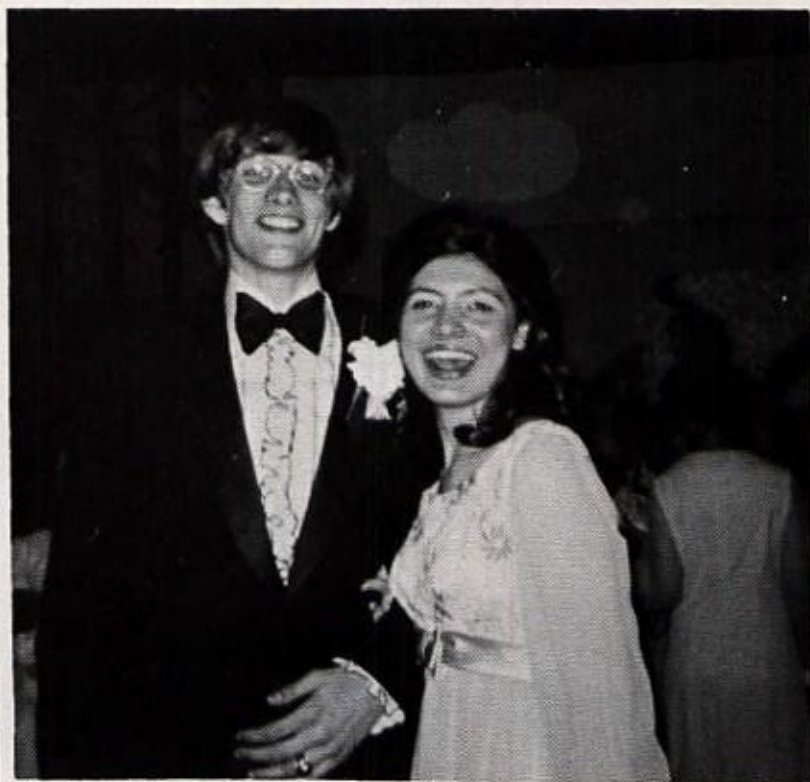

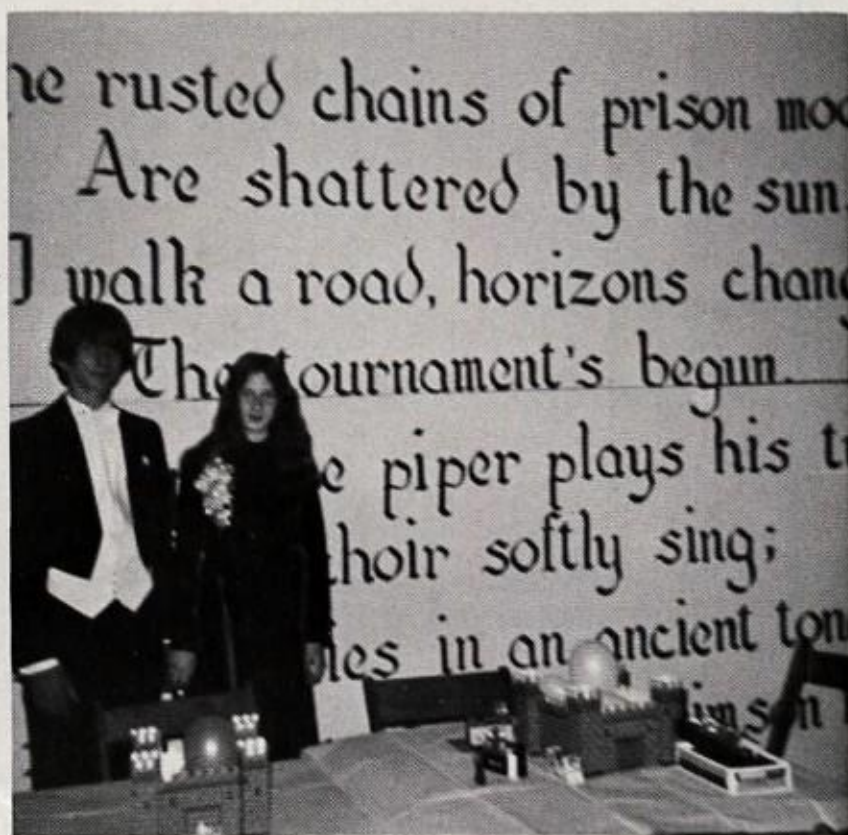

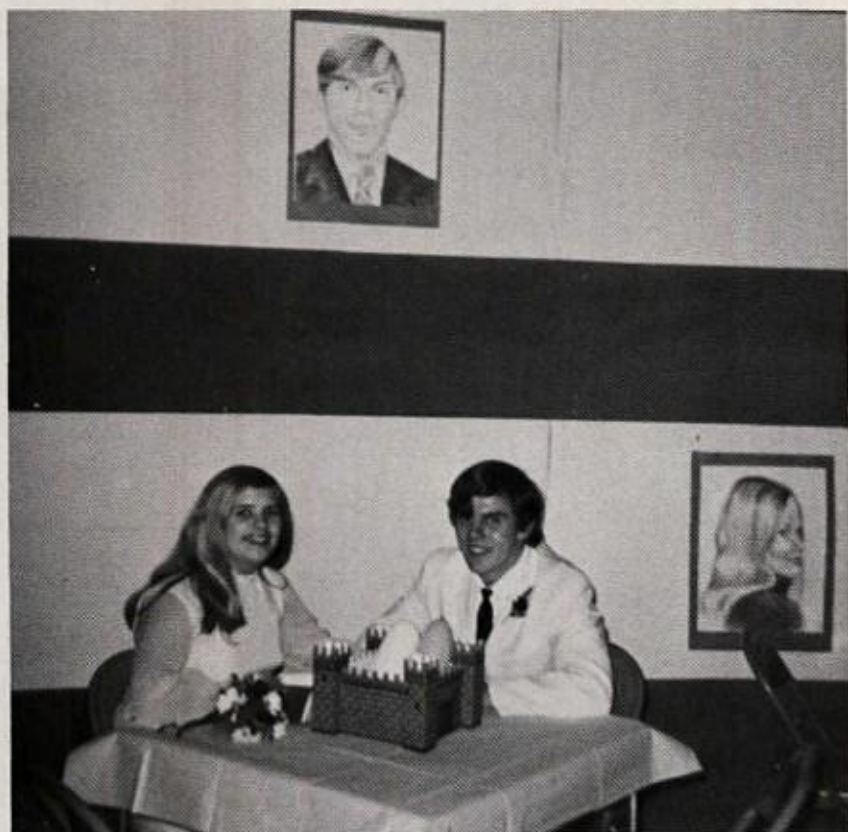

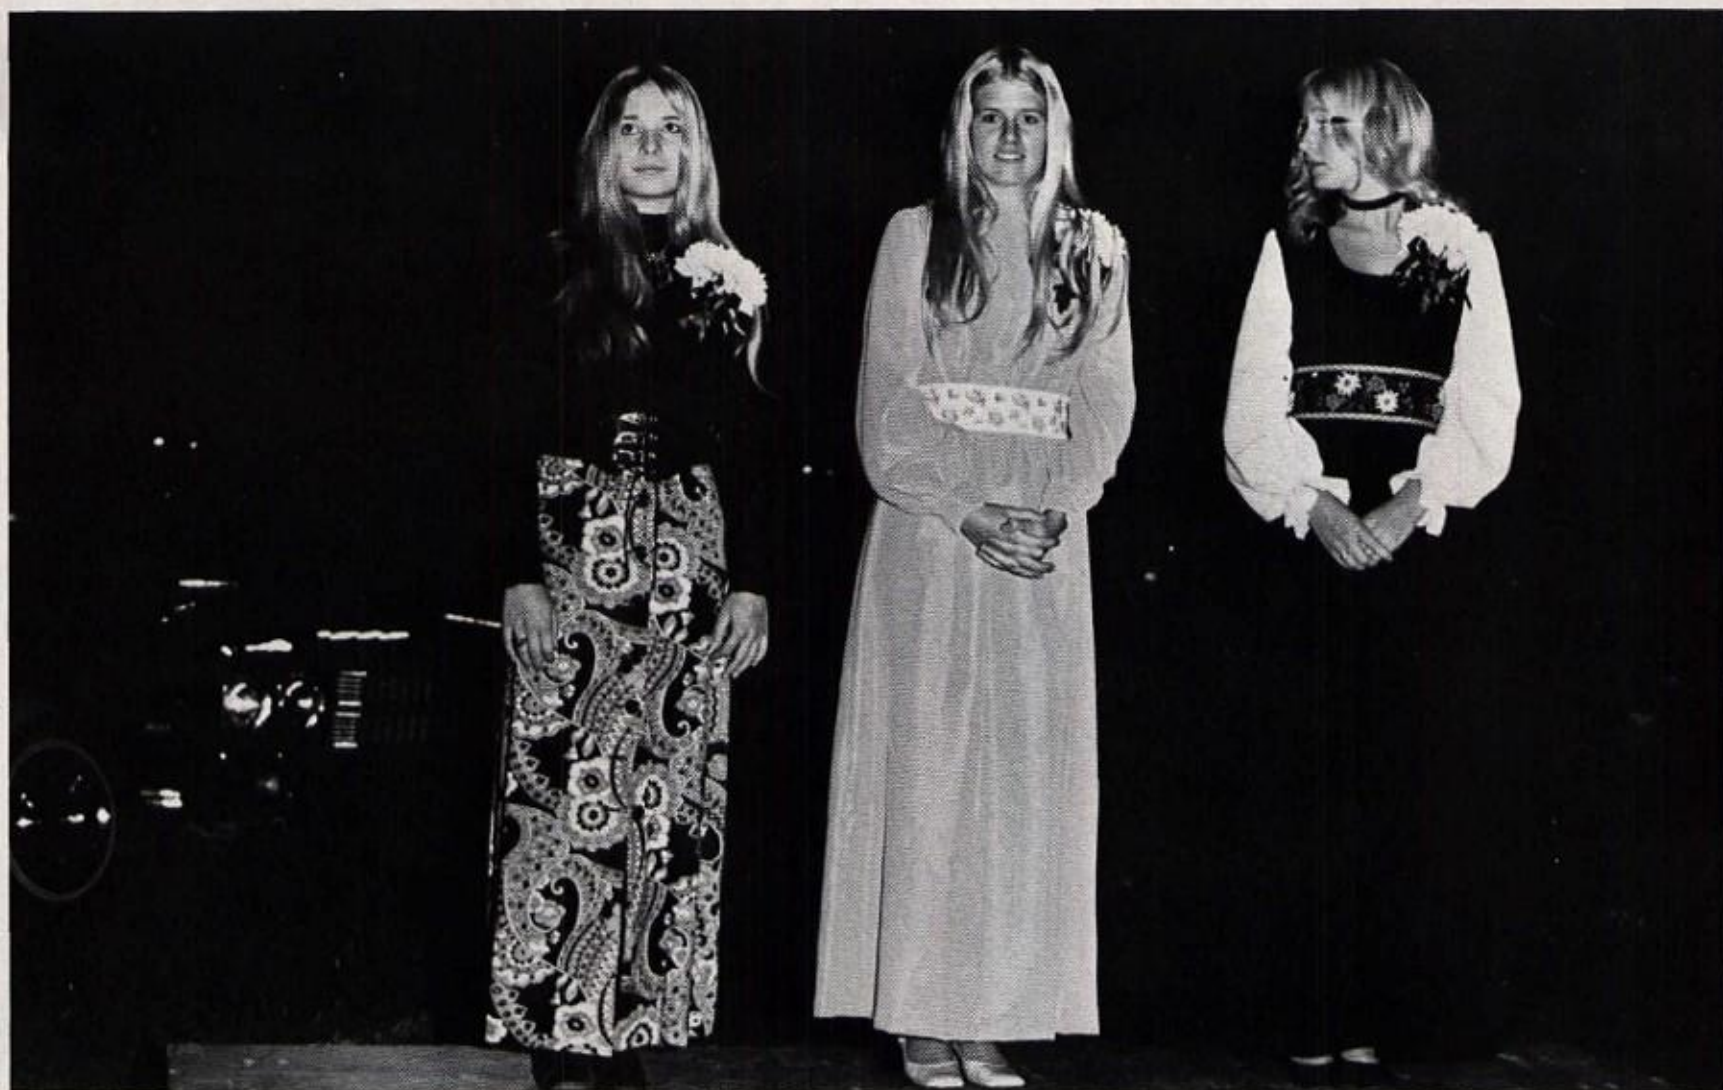

On May 7, 1971 our gym was transformed into the "Court of the Crimson King". Last year's court of Linda Byrtus and Ted Hutchinson were present to crown the new court consisting of Dennis Skelton, prince—Kathy Jamison, princess—Danny Harrison, king and Barb Gates, queen.

The prom was a result of many hours of hard work and fun at the 'barn' and the class of '72 considers it a success.

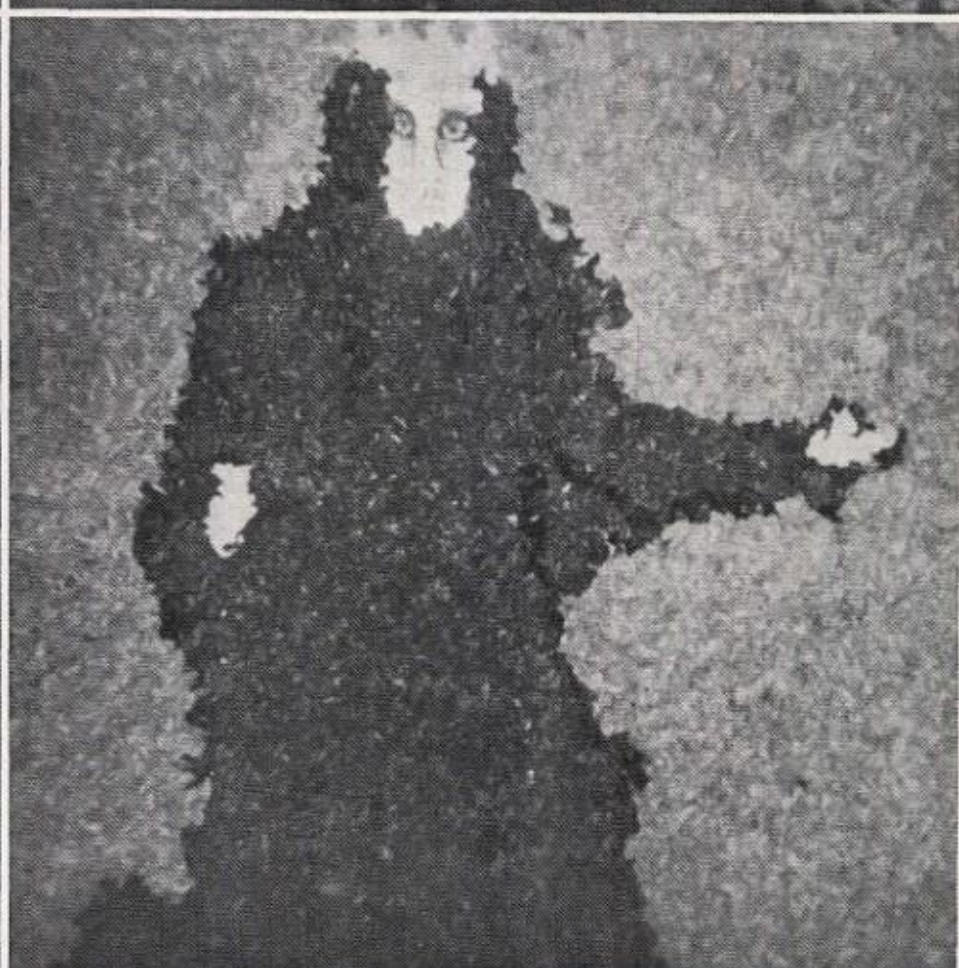

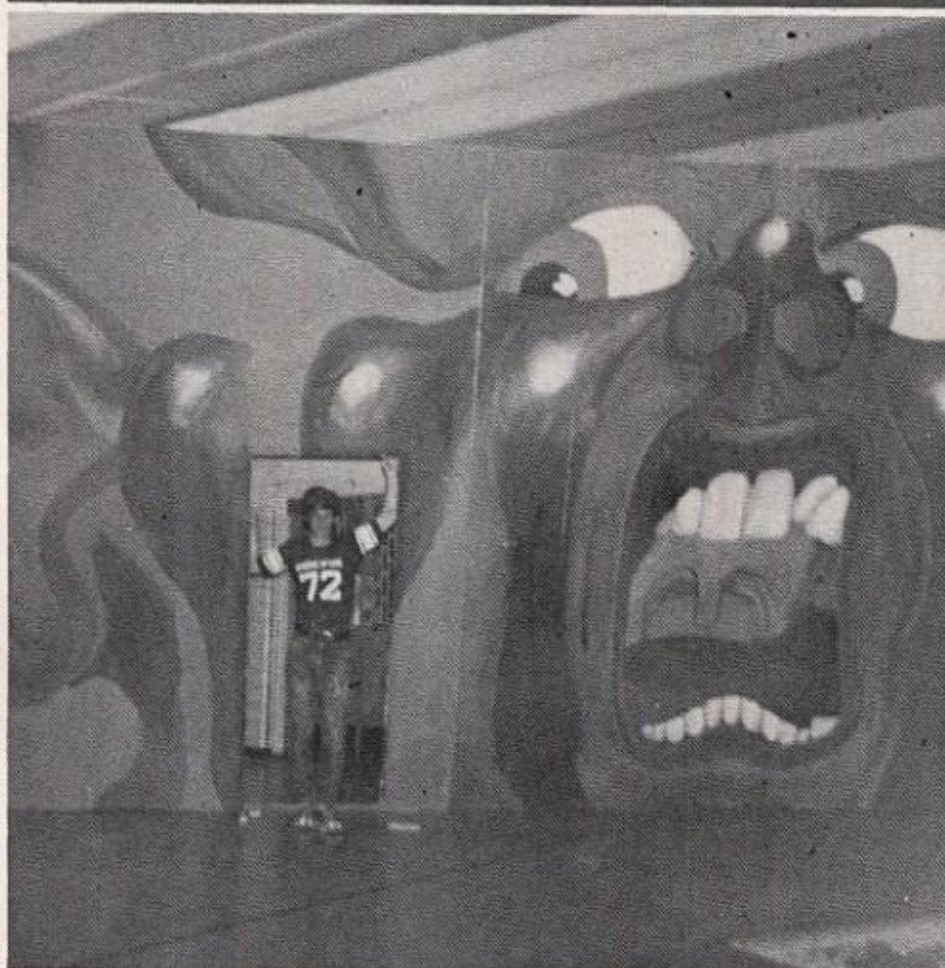

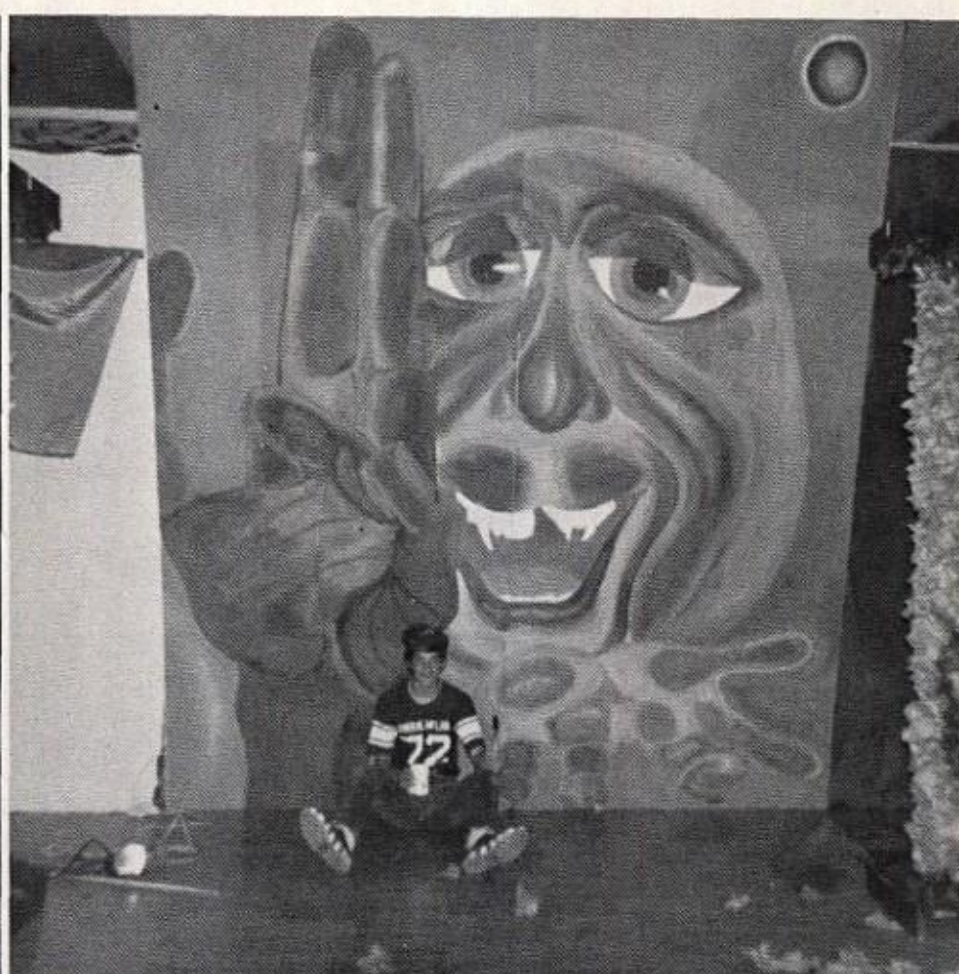

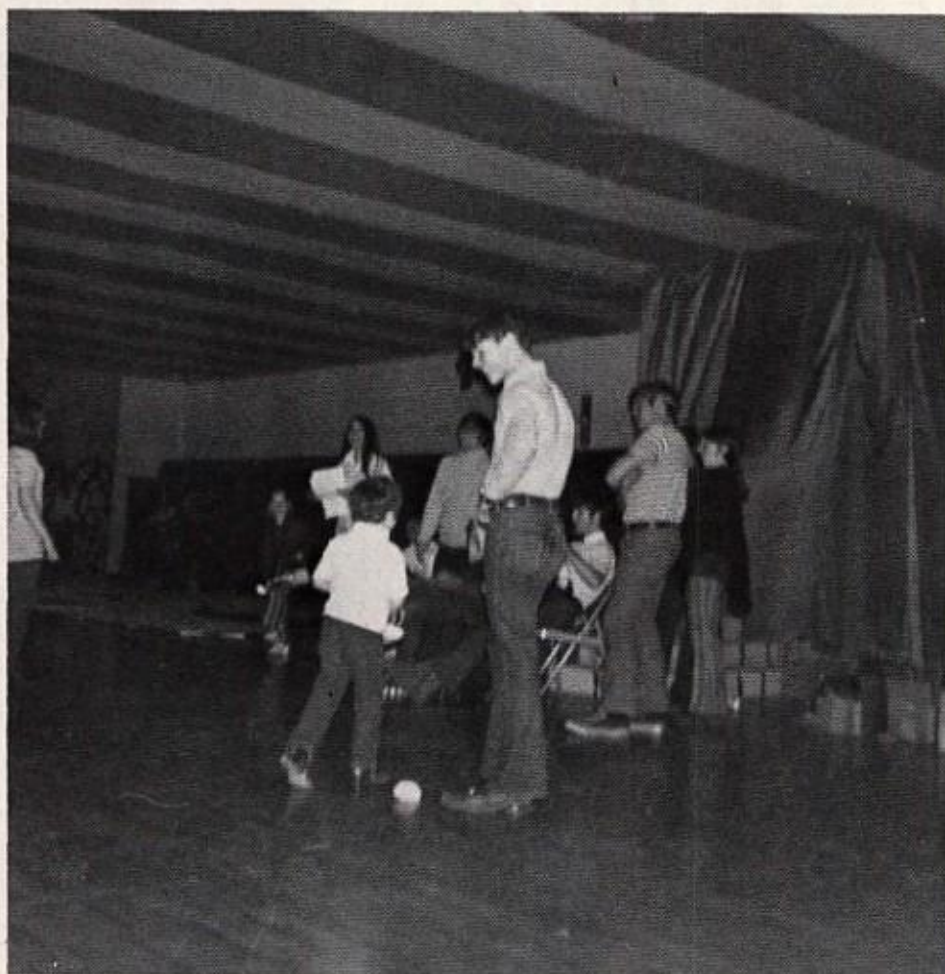

Karen Ridings, Denise Dillen, Heidi Halmi.

Janet Zimmer, Debbie Wright, Sara Rogers.

Each year six of the most popular girls are selected from the senior class to represent our school at the Homecoming game. This year the Lancers came through with a victory for our princess Denise Dillen and queen Janet Zimmer.

I run to grasp divining signs
To satisfy the hoax.
The yellow jester does not play
But gently pulls the strings
And smiles as the puppets dance
In the court of the crimson king.

Only rarely are we privileged to see a truly super athlete perform much less to know one personally. Fred Simmons has given us both opportunities.

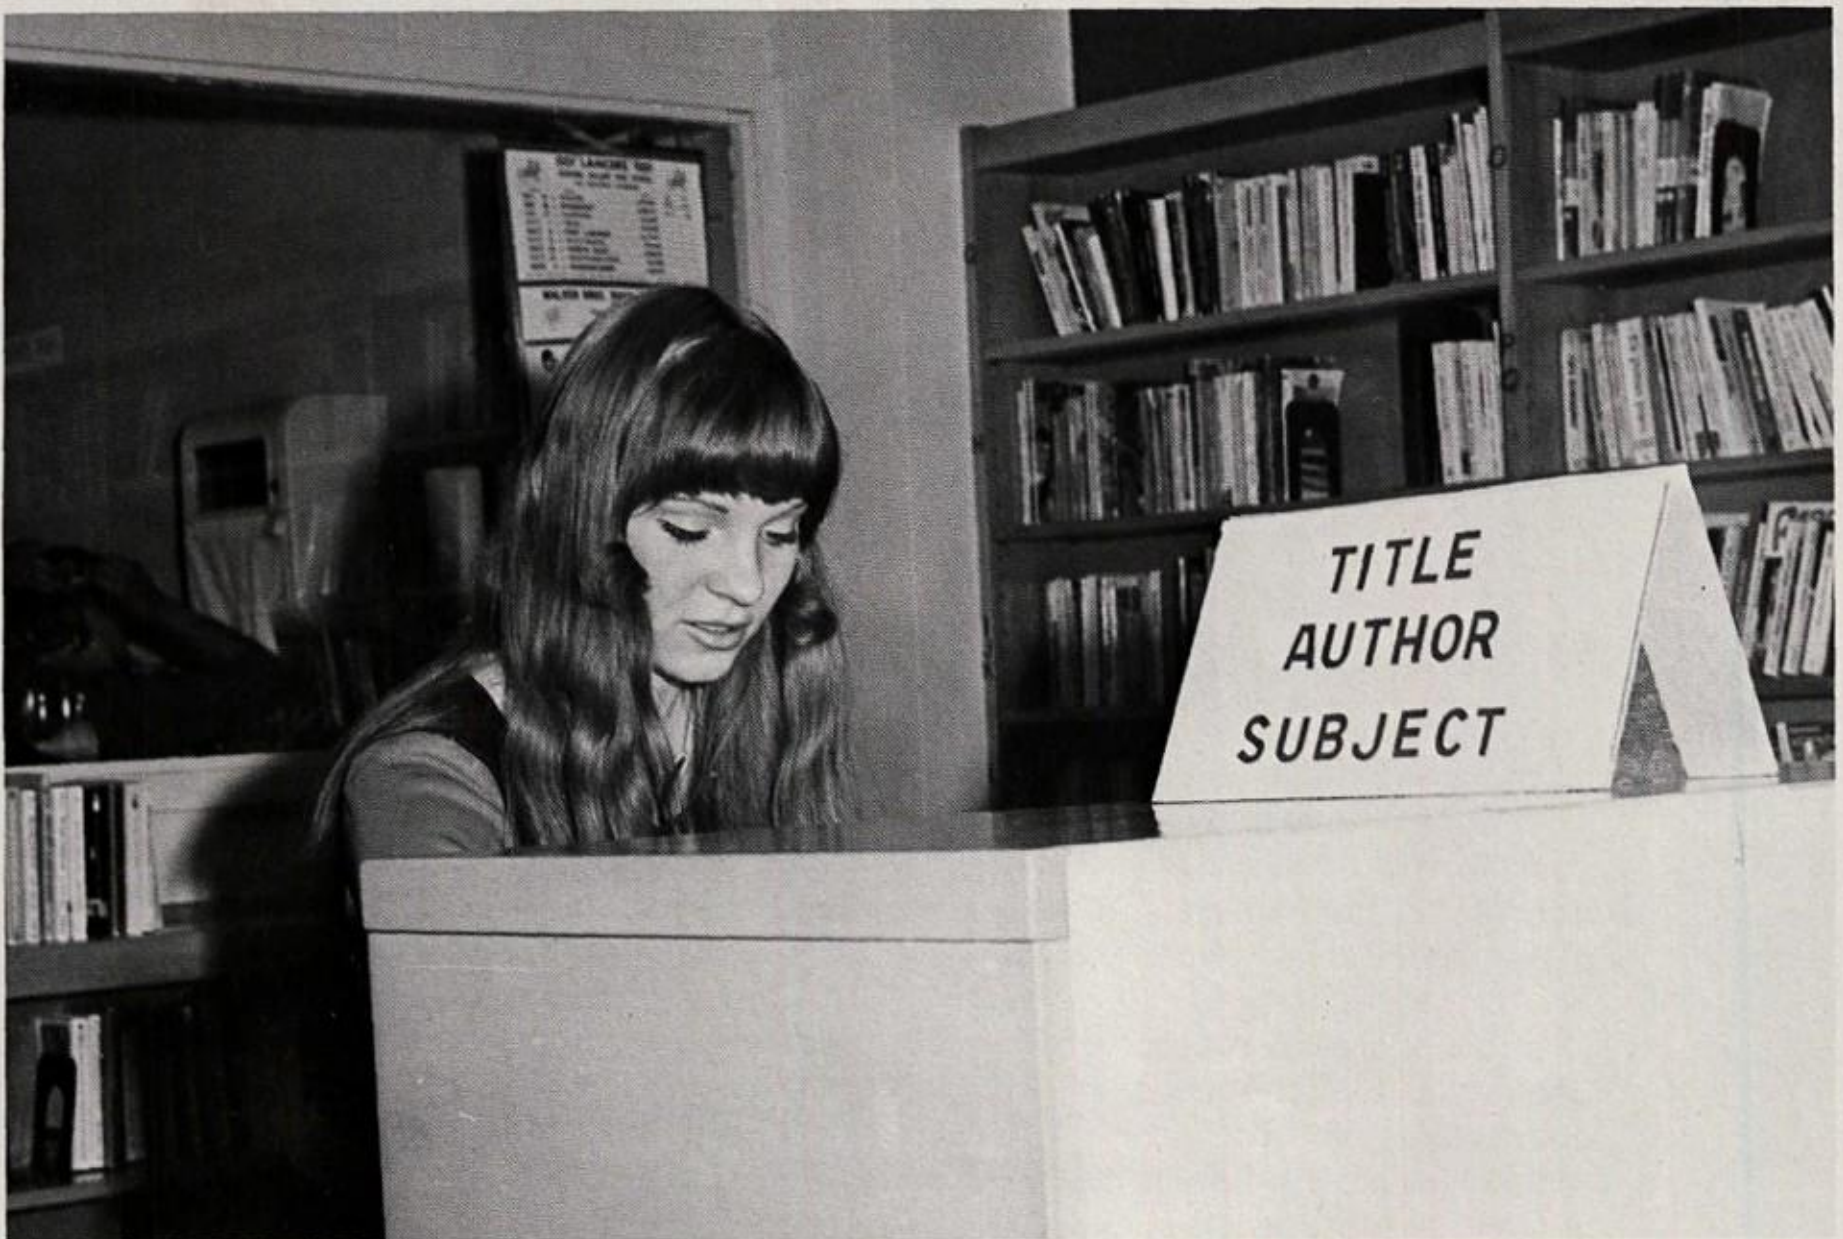

Awards have been numerous and well deserved. An all-County performer in basketball and football in each of these seasons, Fred received Athlete of the Year trophies for both sports and the gold helmet presentation as the best all around player. Many most valuable player awards grace his name.

More than any of the foregoing, Fred has led his teams by his personal example of tireless practice and personal dedication. Unpublished statistics have been his: top rebounds, most assists, and best defensive performer. A quarterback who has called virtually all his own games and has provided the "spark" for his teammates in leading them to the first two football championships in General McLane's history.

Throughout all of his achievements, Fred has remained unspoiled and never guilty of reading his own press releases.

We of the '72 yearbook staff are proud to dedicate this page to Fred and wish him luck in all of his future achievements.

This year the Letterman's club made their delicious cider for the football games, and in the Spring they plan to have a Donkey Basketball game. The Senior Lettermen also received their jackets. So one could say this has been a very rewarding year.

This year's contribution to the school from the Pep Club was a new Score Board. All the girls worked hard selling candy and gathering contributions from local merchants. Our thanks go to all the supporters and girls who made the purchase of the new Score Board possible.
